

# EU Cancer Mission Fair

Day 1: May 20<sup>th</sup>, 2025

## LAUNCH of the Polish Cancer Mission Hub

Location: [Forteca Kręglićcy, Warsaw, Poland](#)

We are pleased to invite to the official launch of the Polish Cancer Mission Hub, held in conjunction with the annual Warsaw Oncology Conference organized by the Maria Skłodowska Curie National Research Institute of Oncology and the EU Cancer Mission Fair — an event jointly organized by the European Commission and the ECHoS project: Establishing Cancer Mission Hubs: Networks and Synergies.

This high-level event aims to raise awareness and support the implementation of the EU Mission on Cancer in Poland and across Europe. Through international collaboration, exchange of best practices, and citizen-centred approaches, the event will bring together key stakeholders from science, healthcare, policy, patient advocacy, and industry to strengthen the fight against cancer and advance innovation in cancer care and research.
